Homicide Detectives responded to a storage facility in the 4300 block of Irwindale Avenue, Irwindale, to assist Irwindale Police Department personnel investigate the circumstances surrounding the death of a male Hispanic adult.

At approximately 4:00 p.m. Irwindale Police Department personnel responded to the location to investigate a traffic collision where a male Hispanic adult was driving a vehicle that was inside of the secure storage facility, and could not exit the facility because he did not have the code to get out. When storage personnel refused to open the gate, the male Hispanic adult rammed the gate with his vehicle and drove away. Witnesses documented the license plate number and the vehicle description.

While investigating the rammed gate, Baldwin Park Police Department personnel contacted Irwindale Police Department personnel and advised that they were detaining the aforementioned male Hispanic adult because of another traffic collision involving the same vehicle, that occurred soon after he rammed the gate.

Further investigation connected the vehicle to a specific storage unit, where officers found the dead body of a male Hispanic adult.

The male Hispanic suspect is being detained at a local hospital where he is being treated for his injuries from the traffic collision in Baldwin Park.

There is no further information available at this time.
